For Immediate Release

An Out of This World charity experience to help benefit kids on Opening Day of Boating Season!

Lake Union Sea Ray soars into another season with an Out Of This World opportunity for the boating community. On Opening Day weekend be sure to get **A Cup for Kids!** Local, Pacific Northwest companies have joined together to make a difference during this year's Opening Day celebration where the theme is Out of This World. Lake Union Sea Ray, Starbucks Coffee, Concordia Coffee Systems and Children's Hospital will be serving espresso drinks transom to transom off a 55 foot Sea Ray yacht to boaters on the Log Boom and around Portage Bay. Out of This World coffee drinks made with Starbucks Coffee will be available for a minimum \$3.00 donation with all proceeds going to Children's Hospital. We invite boaters to enjoy their made-to-order coffee beverage while listening to great hits from KJR-FM. The station will be on board playing all of the greatest hits while handing out prizes and give-aways.

Look for **A Cup for Kids** Sea Ray yacht Friday, April 30th from 2pm-6pm and Saturday, May 1st starting at 7am.
